NOTICE OF PAST VIOLATION

Eastern Logging, Inc.
Attention: Mario Pelletier
PO Box 801
Merrimack, NH 03054

RE: File # 2005-01064, Hooksett Turnpike Road, Concord
Tax Map 90 / Lot 1

Dear Mr. Pelletier:

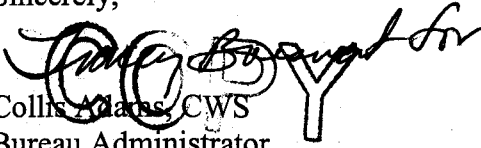

On February 9, 2006 and July 24, 2006, the New Hampshire Department of Environmental Services, Wetlands Bureau ("DES") inspected property located at Hooksett Turnpike Road, Concord ("the Property"). The purpose of these inspections was to respond to a complaint that alleged slash from logging activities had been left in wetlands and to monitor follow up restoration. It was determined that violations of RSA 482-A and Administrative Rules Wt 100-800 had occurred on the Property.

This Notice of Past Violation ("Notice") is being sent to you as DES understands that Eastern Logging, Inc. was the logging company hired by Bridgestone Builders, Inc to perform the logging operation and was responsible for impacting wetlands on the Property. This is to inform you that the violation referenced above has been documented and will be maintained on file at DES. At DES's request, Bridgestone Builders, Inc. removed the slash from the wetlands. No further action is required of you relative to these violations and DES will take no further enforcement action at this time. **This Notice is being sent to help you avoid similar violations in the future so as to protect wetlands and surface waters from unregulated despoliation before violations occur.**

In an effort to promote better understanding and compliance with wetlands laws and rules, DES provides an "inspector of the day" service available to the public to address technical questions related to wetlands regulation. This service is available Monday through Friday, 8:00am to 4:00 pm by calling (603) 271-2147. DES encourages you to make use of this service as well as our website (<http://www.des.nh.gov/wetlands.htm>) before undertaking future work on your property.

If you have any questions regarding this matter, please feel free to contact Eric M. Skoglund at (603) 271-4192 or eskoglund@des.state.nh.us.

Sincerely,

Collin Adams, CWS
Bureau Administrator
